Office Memorandum UNITED STATES GOVERNMENT

TO : Director of Training CONFIDENTIAL DATE: 28 January 1960

FROM : Chief, Plans and Policy Staff

SUBJECT: Weekly Activity Report #4

1. OCR Request for Training Support

On 26 January 1960, [redacted] OCR/LCD/Collection Branch outlined in general terms to C/PPS his branch training program for collection officers and requested new OTR support for one aspect of it. 25X1

Briefly, he proposes to undertake an informal, long-term continuing, training program which will include: on-the-job training; talks or seminars in the branch conference room with "guest experts"; attendance by individual collection officers of selected, regular OTR courses, such as Intelligence Orientation (intelligence and Communism phases), Basic Country Survey - USSR, Communist Party Organization and Operations, and the Scientific and Technical course less the fourth week. 25X1

In addition, [redacted] requested OTR support in arranging for a two-day seminar for eight (8) LCD/CB officers (mostly GS-13 and above) to be held [redacted] anytime after about 12 February 1960. This seminar or symposium would: 25X1 25X1

a. endeavor to develop and codify sound collection doctrine, based upon exchange of experience and information among the LCD/CB officers present;

b. discuss problems and techniques of asset recruitment, training and briefing, management and handling;

c. discuss problems of operational security affecting an overt collection effort, gain a knowledge and appreciation of the risks involved; discuss such related subjects as the Soviet Intelligence Service (in the context of the functions, activities, and milieu in which the assets would be involved), Soviet "realities," problems of behavior in the USSR, travel restrictions, etc.;

4. Area Training Program

[redacted] reports that he has been invited to the DD/P training 25X1
liaison officers meeting on Wednesday, 3 February. He is to describe
and discuss the new area training program that LAS has worked out.
Since DD/I and DD/S have similar interest in knowing the details of
this program, LAS should be encouraged to complete its written state-
ment of the program so that after DTR approval it can be distributed
to all interested components. Appropriate notices should also appear
in the OTR Catalog and Bulletin.

5. [redacted] Program 25X1

We are moving along with our preparations for the forthcoming
presentation to the Bureau of the Budget [redacted] 25X1
program. At the meeting 25 January, understandings were reached as
to just what responsibilities would be carried out by PPS, the develop-
ment team [redacted] and the Office of Logistics. 23 February has 25X1
been selected as the target date for a dry run of the complete presentation.
